HEALTH AND SAFETY PROTOCOLS

- Temperatures taken at the door
- Hand-sanitizer station on every floor
- Masks and/or face shields to be worn indoors as current mandates dictate.
- Socially distanced, outdoor singing may or may not include masks and/or face shields as directed.
- Doors/windows propped open when available
- Rooms cleaned after student groups dismissed
- Air filtration units clean and orderly.
- Hand sanitizer on each teacher cart
- Gloves available for use when needed
- Socially distancing observed
- Separate entrances/exits for each choir
- Limit visitors – no parents *Individual health/safety exceptions made upon request
- All SCS personnel and choral scholars will be trained in SCS's health and safety protocols.
- Smaller choir groups for rehearsals
- Correspondence, fundraising, payments, season and concert programs, paper sheet music and other printed media will be made available electronically in an effort to reduce touchpoints organization wide.
- Musicianship will be held during class time this season and, depending on the instructor may require online, at-home completion of assignments.
- Concerts may be provided virtually or in smaller, individual choir settings, COVID-19 restrictions permitting.
