

Karen is a long-time Summit Choral parent and owner of Letter Perfect Embroidery.

Karen co-founded First Glance Student Center in 2000 and served as the Director of the Teen Moms and Young Moms programming at First Glance for over twelve years. Stemming from those programs, she co-founded JOBS (Jump on Board for Success), a mentoring program to assist young mothers and at-risk women to attain and maintain employment. Karen previously served as Director of that program and is currently the Mentoring Coordinator.

Although, her youngest daughter has graduated from Summit Choral's youth music programs, she already attends "Sing with Me" classes with her grandson. Karen looks forward to many more years with Summit Choral Society!
