March 18, 2020

Dear Summit Choral Society **choral•ography** Sponsor,

It is with a heavy heart that I send this email regarding Summit Choral Society's annual benefit event, **choral•ography**. Due to the unprecedented impact of the COVID 19 virus and in interest of public health, SCS's 2020 annual benefit event scheduled for April 3 at Greystone Hall, has been canceled.

Summit Choral Society appreciates your support and understanding during this difficult time as we navigate this public health crisis together. As a small non-profit in Akron funding generated at **choral.ography** is essential. In light of this cancellation you are invited to SCS's Donor Appreciation night! This event is anticipated for Fall, 2020, further details TBD. I hope you can attend and would love to see you there and will be personally reaching out to you by phone with details in the future.

choral.ography is a true representation the greater Akron community's commitment to educating our youth and providing exceptional, quality programming. SCS looks forward to building our relationship in the future by continuing to offer the quality programs and services we have become known for during our 30+ year history.

I hope you are healthy and safe and appreciate your understanding during this difficult time.

Sincerely,

Shara L. Cocchiola

Executive & Artistic Director
