

A SIGNED LIABILITY WAIVER IS REQUIRED FOR ALL PARTICIPANTS

Health and safety protocols remain fluid as SCS cannot know what mandates and advisories will be in place throughout the season. SCS does not require proof of vaccination status, however, your vaccination status may be requested (and optionally provided by you). This will not impact choral placement within the organization.

- Health screenings will be performed on all participants at the front door. Entry will be denied if you are sick (fever, symptomatic display)
- Social distancing of at least 3 feet will be observed during activities indoors.
- Masks and/or face shields may be required with social distancing, as directives indicate.
- Doors and windows will be propped open when available
- Summit Choral Society personnel will be masked during rehearsals and classes.
- Instruments will be cleaned after student groups dismissed
- Air filtration units will be used in all operational spaces
- Hand sanitizer will be available in each classroom. Handwashing will be strongly encouraged whenever classes are changed.
- Parental entrance to the building is discouraged. Viewing of rehearsals and classes can be obtained via SCS Zoom links.
- Staggered entry and exit times will be observed.
- All SCS personnel will be trained in current health and safety protocols.
- SELF-QUARANTINE (do not attend SCS event(s) expected as indicated by current Ohio mandate(s) for persons who have travelled to designated self-quarantine destinations.

Changes may be implemented at any time in response to current health and safety measures.
