SUMMIT CHORAL SOCIETY: EARLY CHILDHOOD MUSIC EDUCATION PROGRAM (AKRON, OH)

Summit Choral Society (SCS) is broadening its music education curriculum! This new program provides quality music experiences for young children and their caregivers, birth to age five (5).

This new class complements Summit Choral Society's current programming, which includes the nationally recognized, award-winning Children's Choir Program, Akron City Gospel Singers and Metropolitan Chorus. "Little ones love to explore the world around them. In this playful musical space, they will play with a variety of different musical instruments, sing along with songs, move to music and enjoy giggles with other kids," says Heather J. Cooper, **sing with me** program director and Principal Conductor with Summit Choral Society. SCS is now registering for the first session April 8 - May 27, 2021 at <https://www.summitchoralsociety.org/sing-with-me.html> These 30 minute Thursday mornings classes are sure to energize little ones throughout the greater Akron community!
